PRESIDENT'S MESSAGE

Greetings Fellow Alumni,

On behalf of The Shamokin Area Alumni Association, its officers and dedicated committee members, I would like to invite you to attend the 133rd Shamokin Area Alumni Association Banquet and Reunion. This year's event, open to all Shamokin alumni and their families, will be held at Masser's Banquet Hall in Paxinos on Saturday, May 28, 2016 at 5:45 PM.

I'm proud to have served as President of your alumni association this past year. We've worked hard to prepare an enjoyable evening of reminiscing, informing and networking. At this year's reunion we will once again award scholarships to many

deserving graduates of the Class of 2016 who excelled on the alumni exam.

Did you know that our alumni association held its first reunion on May 7, 1884, making ours, the oldest known group of its kind in the United States?

Did you know that this year marks the 50th year reunion of the first graduating class of the then combined Shamokin and Coal Township schools?

Did you know that the Shamokin Area Alumni Association has a website and a Facebook page?

Did you know that membership in our organization only costs \$2.00 annual dues?

There are many more interesting facts to be learned by joining our organization and by attending our banquet and reunion this year. Please consider joining us whether you're out of school 50 years or 5 years, we'd love to see you!

Sincerely,

Todd Nye
Class of 1989

MESSAGE FROM THE PRINCIPAL

On behalf of the administration, faculty, staff and school board members of Shamokin Area School District, I would like to welcome all alumni to the annual meeting of The Shamokin Area High School Alumni Association.

Once again, I can proudly announce that our students continue to represent Shamokin Area well in a variety of areas. Academically, our students continue to excel. Many of them are currently taking college coursework through Bloomsburg University and

Luzerne County Community College as high school students. Musically, we have had many students qualify for district and regional music festivals and our competition band has placed very high at various competitions throughout the school year. In the area of athletics, several of our team and individual athletes have qualified for district and league playoff competition.

I would like to take this opportunity to thank the Shamokin Area High School Alumni Association for your support. I recognize

the hard work and effort put forth by the association each year and I commend you for your generosity to the school district and our students through the scholarships and other donations. It is greatly appreciated.

Enjoy your visit with classmates, friends, and family. You have my best wishes for a memorable reunion weekend.

Sincerely,

Chris J. Venna
Principal

What inspired you while attending Shamokin Area High School? Was it a teacher, fellow student or an event? We all have many worthwhile experiences to share. If you would like to share your thoughts to inspire others, feel free to send information to John Clutcher. Your note could be placed on the alumni website, put in a future newsletter or shared at our annual banquet. Limit your entry to around 250 words. HELP WANTED!

“We believe we may be one of the oldest continuing active high school alumni associations in the country. Our first class graduated in 1883.” In order for an organization to continue to operate successfully, it needs active involvement from its members.

Many of you in the area could become active in the operation of the association. It is getting more difficult to find new leaders to serve. The executive committee has no idea who is interested in serving as an officer or on a committee.

If you are interested in getting involved or would like to suggest an individual who would be interested in helping, please contact any officer of the association. You may want to consider attending any of the 3 meetings (Fall, Winter and Spring) to see how you can help. “Officer contact info, meeting dates and times are posted on the web”.

Attention winners of the Shamokin Area High School scholarship awards. Congratulations to all of you. Please consider donating to the scholarship fund so that other students may also benefit from the awards. Thank you very much.

It is very important that we continue to receive contributions for the scholarship fund from alumni members so we can continue to increase the number of scholarships, thus giving more students help with their advanced education.

MATCHING GIFTS PROGRAM

Many Corporations have an “Employee Matching Gifts Program” which is available to employees, and in some cases to retirees. The Corporation will match the giving by eligible individuals to qualified institutions for educational programs. The SAHS Scholarship Fund qualifies for such Matching Gifts at most of these Corporations. Therefore, if you plan to make a gift to

the SAHS Scholarship Fund, please check with your employer to determine if they sponsor such a program. If so, you can obtain the necessary qualification documents from Gregory Dwulet, Alumni Treasurer, to provide as evidence to the Corporation that the SAHS Scholarship Fund meets the requirements. This is an effective way to increase the total value of your gift to SAHS.

GIFTS OF STOCK TO THE SAHS SCHOLARSHIP FUND

Making gifts of Stock to the SAHS Scholarship Fund may be to your financial advantage. If you donate stock directly to the SAHS Scholarship Fund you may claim, as a donation, the full market value of the stock based on its value on the day of transfer. You are not liable for any taxes on appreciated value because this obligation is transferred to the SAHS Scholarship Fund. And because the Fund qualifies as a non profit program, no taxes are paid. You avoid any taxes on the appreciated value and you claim the entire market value as a Donation. You may

want to consider this as a way to make a contribution to the SAHS Scholarship Fund. Check with your Financial Advisor for details if you have questions, etc. The SAHS Scholarship Fund Broker Address and Identification Number information may be obtained from:
