

August 20018

Dear Parents/Guardians,

Bonjour! Welcome back and Congratulations on successfully completed your first year of French. My name is Omyeyle Nadège Ahohuendo, and I am happy and honored to have your child in my class. Student's success is the number one priority in my class. I look forward to give your child the tools he/she needs to be successful in French class. This chinese proverbe says: "To learn a language is to have one more window from which to look at the world." I intend to open the window on the French world through its culture and fluency in speech. I have planned some fun and engaging activities for your child.

I grew up in Ivory Coast a country located in West Africa where my father has served as a Math Teacher. My Country of origin is Benin another country in West Africa. I graduated with a Bachelor's degree in Information Technology from Peirce College in Philadelphia and I continued to earn a Master's of Geographic Information Technology from Northeastern University in Boston, Massachusetts following by a Master's in Education option French from West Chester University in Pennsylvania. I was a substitute teacher at Conestoga High School for about a year before I was hired here in 2016. I am married and I am a mother. I was blessed to visit the following country/cities: Ivory Coast, Togo, Burkina Faso, Kenya, Japan, Paris, Geneva, New Jersey, Atlanta and St Louis.

When I am not teaching, I am spending some quality time with my family. You can find me doing my boys hair; yes I am also the family barber.

I believe that regular communication during the year will make a difference in your child's success in French class. If you have any questions or concerns; please feel free to contact me at oahohuendo@indians.k12.pa.us. Thank you for your time, and I look forward to know and work with you and your child throughout the year!

Sincerely,

Omyeyle Ahohuendo
