*** Students will earn 5 bonus points for every additional point they earn in a marking period beyond 20. **Example:** A student earning 22 points would earn 10 bonus points (2 x 5= 10). Students ***may earn up to 50 bonus points*** in this category per marking period.

***** Notes**

- Points earned are scaled to the number of **CORRECT** questions a student answers. **Example:** If a book is worth 10 points, and contains 10 questions a student answering 9 questions correct would earn 9 points, not 10.
- Students **MUST** take the AR quiz in front of the classroom teacher.
