President's Message

Welcome — Congratulations — Thank You.

It is a pleasure to welcome all of you to another SAHS Alumni Reunion. A special welcome to all of the anniversary classes and the new Alumni Class of 1986. We hope that you will enjoy your reunion so much that you will make it an annual event and bring a fellow classmate with you each year.

You are to be congratulated for being part of the 103rd Reunion of the reportedly oldest active alumni association in the United States. There are too many traditions going by the wayside; it is important that we hold unto the few that remain. We all know we can't go back in time, but by attending these reunions we can carry on old friendships, start new ones, and keep ourselves as young as we feel. Join us again next year and remember, contact other members of your class and get them to attend.

I personally would like to thank all of the wonderful committee chairpersons and the members of their respective committees for another superior job in organizing this 103rd reunion. A great big THANK YOU from the Alumni Association to all who donated so generously to the different funds of the Association. Without your support this association is nothing. And a special thank you to all of you who chose to attend this evening and share some memories with us. Next year bring a classmate with you.

The dictionary defines ALUMNUS as a graduate of a school. FRIEND as a person of the same party or group. We are all Alumni of the Shamokin Area High School. Let's make this a memorable occasion by being friends forever more.

Sincerely,
William E. Korbich
President
