It is with a great deal of privilege, pride and pleasure to welcome you here this evening on behalf of the officers and members of the Shamokin Area High School Alumni Association to our 109th annual reunion.

One of our most noble projects is awarding the four (4) year scholarships to our talented students enabling them to attain their life's dream and ambition of attending a college of their choice and preparing them for life. It is only with your help, support and cooperation that we can continue to award scholarships to our senior graduates.

Our graduates have distinguished themselves in every field of endeavor all over this great country of ours. We can be truly proud of each and everyone of them.

To the graduating class of 1992, we welcome you with outstretched arms and hope and pray that you will actively participate in your Alumni Association and if you do, you will become imbued with its greatness. You are our future.

Tonight, as we gather together and reminisce the fellowship, the good old school days and friendships, let us forever keep uppermost in mind, that it was through our Alumni Association that held us together by each of you participating in it and attending our annual banquets.

Each of you are a vital part of our Alumni Association, and I urgently ask each and everyone of you to promote our Alumni Association be recommending to each graduate you meet to have their class reunion with us and not separately, so together, we can make our association even greater.

I wish to thank all of you for attending this evening, especially those of you who have come thousands of miles, and may all of you be blessed with the fulfillment of all your wishes.

Respectfully Yours,

President
