

Shamokin High School Alumni Association

Norman A. Bendel, President

To the members and friends of the Shamokin High School Alumni Association, greetings:

June 1, 1949 marks the 66th Annual Reunion. I extend you a cordial invitation to be with us. The banquet will begin at 6:15.

I extend a special invitation to the classes of 1889, 1899, 1909, 1919, 1924, 1929 and 1939, who will celebrate anniversaries this year. These classes will receive recognition and congratulations from the Association.

All committees have been most active this year, and we are assured of an interesting program as well as a change of menu.

Since our organization has grown in numbers to almost fifty-five hundred, we have been put to considerable expense for return postage on wrong addresses, etc., as well as other expenses which you will note in another column. This makes it imperative that we collect your twenty-five cents dues. I trust that you will cooperate in this matter.

The Scholarship Fund is also worthy of your attention. We have passed the half way mark towards our goal and are making a determined drive for members in the Century Club. As you will note from the committees' report, twenty-one young people have been helped through college by this fund.

I take this means of thanking all the officers and members of the Executive Committee, who by their unselfish efforts, have contributed to our success this year.

Again I invite you to revisit the

**Donald J. Cowling Speaker
For the Annual Banquet**

Dr. Donald J. Cowling started his early school days in and near Shamokin. His father was pastor of the local United Brethren Church for a number of years, and, during this time, the speaker of the evening attended the Shamokin schools. If he had remained here, to the end of his high school course, he would have graduated with the class of 1899; accordingly, the 50-year class considers Dr. Cowling one of its members.

After leaving Shamokin, Dr. Cowling graduated from Lebanon Valley College at Annville, did graduate work at Yale University, was a teacher at Baker University at Baldwin, Kansas, and from July 1, 1909, to September 1, 1945, he served as president of Carleton College, one of the outstanding schools of the Middle West.

In 1918, he was decorated by the French government with the title of "Officer of Public Instruction" for outstanding work accomplished in the exchange of students between the United States and France. For 10 years he was chairman of the board of advisors of the National Student Federation of America. He has served with distinction on the committee of the United States upon the visit of the British Educational Mission to this country. He is a member of the executive committee of the League to Enforce Peace, New York and he is also a member of the League of Nations Association, New York, and has served upon various educational and religious boards of his own state, of his country and various international committees and councils of education.

Dr. Cowling has traveled extensively, having visited most of the countries of Europe and also Egypt, Palestine and Turkey. Prior to the second World War, he went to Russia as a member of the educational commission of which Professor John Dewey of Columbia University was a chairman.

Dr. Cowling is a member of Phi Beta Kappa and of Sigma Xi. He holds membership in various scholastic and professional societies, including the American Psychological Association and the American Philosophical Association. He has published various magazine articles and addresses on educational and religious subjects and is the author (with President Carter Davidson, Union College, Schenectady, New York) of a volume on COLLEGES FOR FREEDOM (Harper & Brothers, November, 1947). Dr. Cowling has four degrees from Yale University—A. B., M. A., B.D., and Ph. D. He has received honorary degrees from many institutions, including the degree of LL.D. from Williams and Oberlin Colleges and the University of Minnesota.

His career is summarized in "Who's Who."

A LETTER FROM HOME

Our members are scattered all over the Universe, as it were; and to those who receive this missive in places far remote it is truly a Letter from Home.

It is not without painstaking effort that the Annual Announcement reaches our distant members to revive fond memories of school days.

Surely you would answer a letter from your Mother.

Remember, *Alma Mater*, your Fostering Mother, is expecting a response from YOU, no matter where you are.

At least, that's the way it appears to your Honorary President
