

Shamokin High School Alumni Association

CLARENCE J. HOLSHUE
President

As time draws near for our Sixty-eighth Annual Reunion, which for the first time in the history of our Association will be held on a Saturday. I look forward to a much larger attendance of Out-of-Town members. In the past many were unable to attend due to same being held in the middle of the week.

I am grateful for this opportunity to extend to each and every member a cordial invitation to be present on Saturday evening, June 2nd, at which time the Association will give special recognition to the decennial and anniversary classes. The anniversary classes have been very active in the preparation for this reunion and I am sure they will make a very favorable showing.

If we are to attain our long-sought goal of \$25,000.00 for our scholarship fund by June 2nd, and I foresee no reason why we should not, if each member will do their part by sending a small contribution for this worthy cause.

I am also seriously asking if you do not plan to attend the reunion that you place your dues of \$0.25 in the enclosed envelope and mail it at once to the treasurer. It is most important this is done to operate an association of approximately fifty-five hundred members. We should feel highly honored to be a member of a High School Alumni Association that has created a scholarship fund to assist a worthy student secure a higher education, perhaps, the only one of its kind in our country.

I am glad that our orthodox traditional procedure permits me to make acknowledgment of the debt I feel I owe to the officers, class representatives and various committees of this association, you have been courteous, enthusiastic and patient, and above all, loyal to me. Any success which we have attained was due to your efforts.

And now, in conclusion, for all your kindness, for all your loyalty, for all your patience and for all your support, which I shall never forget and which shall always be one of my treasured memories, I express finally my deep and abiding gratitude.

Sincerely,

Clarence J. Holshue,
President.

Last year invitations were mailed to 5,300 members, of which number only 1,001 remitted dues. If the other 4,299 had also responded there would have been another neat Thousand, Plus, to aid the Alumni in furthering its projects.

Those active in the Association's affairs feel it is not too early to plan for the proper observance of the Alumni's Diamond Jubilee in 1958. To this end every Quarter will help.

Happily the number of dues-paying members is on the increase; but we should like to see YOU and YOU and YOU each to be added to the 1,001.

Your Association, through good management of its officers and committees, has been able to cover the annual budget without raising the dues in spite of constantly increasing costs. Rather than increase the dues (fixed at 25 cents in 1884) we should prefer to have each graduate send in the 25 cents each year.

If the above applies to you, will YOU not be ONE MORE to be added to the 1,001?

TO THE CLASS OF 1951

Greetings—

As those who have gone through the same experience, we congratulate you on meeting triumphantly the rigors of a four-year campaign in Shamokin Hi. By virtue of your graduation you will become members of the Alumni.

You need scarcely be reminded that Shamokin High School Alumni Association, founded by the Class of 1883, has a long and eventful history; and we hope, therefore, that you will identify yourselves actively with its program of encouraging High School students to higher education.

We feel that if you will attend our Sixty-Eighth (your first) Reunion you will be impressed with the enthusiasm that characterizes this annual occasion.

It should be a matter of pride to every graduate of Shamokin High School to hold membership in an organization whose record is not only unique, but without equal.

We anticipate the pleasure of seeing each member of your Class at the coming Reunion.

SEEING A JOB THROUGH

In this day and age when the baser elements of human character seem to run paramount it is refreshing to note that, contemporaneous with it all, there still prevails a high quality of integrity in the conduct of enterprises which have not invited, and perhaps, much less received, commendation from the sidelines.

Happily, one such enterprise is the Shamokin High School Alumni Scholarship Fund, founded in 1927.

With no thought of recompense your Committee for all these years has labored diligently and in straightforward manner to help OUR OWN CHILDREN TO HIGHER EDUCATION.

Yet to avail themselves of the help offered by the Fund it was necessary for those interested to engage in competition. The fact that a number of students each year have taken the required examinations is all the more reason for continuing and enlarging this offer of financial help.

We are now striving hard to complete the Fund as originally planned so as to be able to give each winner four years of help instead of one year, which only last year, was stepped up to two years.

With our goal well in sight, will you be a party to making it possible to extend this help for four years? If so, you will have the pleasure of seeing the successful achievement of a strictly SHAMOKIN PROJECT started and finished by SHAMOKIN PEOPLE.

Give what you can, and do not hesitate because you may have given before. Help finish a real job NOW, and I am sure you will be just as proud as we will be to see this effort brought to a successful conclusion.

THANK YOU.

J. HERBERT LAWRENCE,
Chairman Scholarship Fund
Committee.
