

Shamokin High School Alumni Association

Greetings:

With the announcement that the Seventy-First Annual Reunion of the Shamokin High School Alumni Association will be held on May 29, it is my privilege to send cordial greetings to the six thousand members scattered throughout America and many foreign lands.

Alumni day is for all of us. It is a long awaited treat to gather with classmates and other friends we made during our school years and to recall incidents in which we were involved, often in loud voiced school spirit. That same spirit, though less boisterous but no less genuine, brings us back year after year to relive in memory a happy phase of our lives. It is that spirit which has kept our Alma Mater ever in mind as we look forward to maintaining and increasing accomplishments of our association.

A fundamental characteristic of our Alumni has been to weld an association without question of nationality or religion of its members. Once organized it could have moved forward or backward. During its seventy - one years of life it has been constant because of the determination of the members to meet annually and to revive and further cement friendships made during student days. But it has also steadily advanced through the cooperation and encouragement given the founders and their successors by the membership as a whole. Its growth is due to the fact that not a single graduating class has failed to become a valued unit of our society. Its prosperity is a reflection of the strong, generous and enthusiastic support of the members. We look upon the service of our Alumni with pride and gratitude.

Last year almost eight hundred members and guests attended the reunion. We look forward to welcoming just as many or more on May 29. As in former years special honors will be extended to Anniversary and Decennial classes. Activities of these classes during the past six months, in preparation for the coming reunion, may again serve as advertisements that another remarkable chapter will be added to the Alumni history. May I remind those who cannot attend, that annual dues are still 25 cents, one item which has not been affected by inflation. With the seventy-fifth anniversary just beyond the horizon it is imperative that we raise funds for this great celebration in advance. Everyone's quarter

will definitely eliminate financial worries—if we get it.

Our hearty congratulations are extended to members of the Class of 1954 upon completion of their public school education. Each one's presence at the reunion will do much to make that event a memorable one.

WESLEY S. ZARTMAN
President

Hendrik Willem van Loon once defined a committee as a group which succeeds in getting something done only when it consists of three members, one of whom is sick and another absent. Though acclaimed as a brilliant author it is to be regretted that he made this statement without knowledge of the performance of our Alumni's numerous committee members. The executive committee is composed of representatives of each class. Your officers and this committee met on several occasions during the year for transaction of association business and to plan for this reunion and the seventy-fifth anniversary celebration four years hence. In addition, various sub-committees have efficiently attended to their allotted assignments in an elegant manner. The Scholarship Fund Committee was quite active and liberal in expanding annual Alumni awards which are more fully explained in the Treasurer's column. In every instance the work of all committee members was laudable and their continuous cooperative support of your President, magnificent. I am deeply grateful to the officers, representatives and committee members for that support and their unselfish loyalty.

One year ago you elected me to the Presidency of our Alumni. At that time I expressed my gratitude for the high tribute and I can now do no less. I shall always cherish the honor of having been privileged to serve you.

Cordially,

Wesley S. Zartman,
President.

RADIO PROGRAM

The anniversary classes for the last few years have been broadcasting a program over WISL under the direction of Emeline Lark Troutman. It is very interesting to listen to the history of these classes. Dates are Sunday, May 23 and Wednesday, May 26. (Times not yet known).

Scholarship Fund

At the 1953 reunion the classes by contributions increased the fund by \$6,000, which, with income from investments, makes the total trust fund as of December 31, 1953, \$36,105.34.

The award is paid from income of the Trust Investments.

At a meeting of the Scholarship Committee held January 26, 1954, consideration was given to recommending to the Executive Committee for ratification, to increase the award from \$150.00 to \$200.00 each year for four years, and to create a second award for two years, of \$75.00 each year, with the thought that in the future, classes by contributions would be able to increase the second award at different times.

John M. Phillips, Chairman.

IN MEMORIAM

*Whom sorrow has not stricken
Cannot stand strong of soul;
The heart that's never broken
Is not completely whole.*
