President's Message

My fellow Alumni:
On behalf of your Alumni Association, its officers, and dedicated committees, I extend an invitation to celebrate the 113th reunion of the SAHS Alumni Association on Saturday May 25, 1996 at 6:30 p.m.

The site for this year's reunion will once again be the Cafeteria and Commons area of the SAHS at 2000 West State Street. After the banquet we will adjourn to the Auditorium for the entertainment, business meeting and awarding of the annual scholarships. Following the business meeting we will return to the Commons area for an evening of dancing, a delicious late night buffet, and the opportunity for rekindling old friendships and memories.

Some anniversary classes may have private parties scheduled at various places in town, but I urge and invite anyone that does not have a previous commitment to attend and participate in the AFTER GLOW. Participation has been increasing each year, and I don't believe you will find a better time for the money.

The SAHS Alumni Association is the oldest ACTIVE association in America; however, like many organizations today, our survival depends on the interest we can generate with our membership. If you would like to get involved, whether it be as a class representative, serve on a committee, or just offer constructive suggestions that would benefit the association, we would like to hear from you.

We hope that you will circle May 25th on your calendar, and make every effort to attend the annual reunion banquet. We are looking forward to seeing you again, and wish you good health and a safe journey.

Your President

John I. Schankweiler

Message from the Principal..

Dear Alumni,

During the past school year, many challenges and successes have taken place. A very severe winter with deep snow caused at least 12 school day cancellations. Fortunately, however, an early thaw improved conditions greatly as far as nature's snow removal was concerned. Unfortunately, some families experienced property damages. Tough as we are, though, we will get our lives back to normal.

Renovations and additions at the high school are underway to prepare for a junior-senior high school arrangement. The projected completion date is the end of January 1997. Scheduling, constructing new classrooms, installing a new heating and cooling system, redesigning the cafeteria dining area and services, building a new music suite, adding a new computer lab, and having numerous other changes offered many challenges. Seventh and eighth grades will be added to the present high school setting.

Our students continue to be accepted into quality postsecondary institutions of learning. Some students have been and will be admitted because of the generosity and support of the Alumni association. For that, we are all grateful.

Students have also done well athletically, having won league and district championships. Talents in the arts, still are evident by the students' success in music and art competition. This year's musical was "Brigadoon."

Faculty and administrators worked together to complete a required, updated strategic plan which was approved in January by the Pennsylvania Department of Education. The number of Carnegie units required for graduation has been increased. More important is the proof of quality work needed to earn those credits. Emphasis will not be on the amount of time spent in class. Outcomes, therefore, will determine success or failure.

Enjoy your visit to the Alumni Association Annual Dinner and rest assured that you can still be proud of Shamokin Area High School and its students and faculty.

Thanks for your dedication and help.

Sincerely Yours,

Eugene C. Boughner

Message from the President
Shamokin Area School Board...

Greetings to the Alumni Association:
This is a special privilege to share in the work of the most prestigious alumni association in America, and that I can claim eight children as members.

It was a decade and a half ago that the president of the Shamokin Area School Board addressed the Association setting the goal for the elimination of the two remaining public school buildings with the City of Shamokin. That goal is now being realized as the construction has begun for an addition to the high school to house grades seven and eight, with the sixth grade moving to the elementary school. This project will eliminate the middle school (old high school) and the annex. The disposition of these two buildings is currently in question. It is my personal desire to find meaningful educational uses for these buildings within the administration of our school district, but time will tell if this is a possibility. The decision is in the hands of the School Board. Your personal input would be appreciated.

Our ninth grade students of this year represent the last class of this century, and from there we step into the 21st Century. Our memories of the past, our awareness of the present, can not compare with the tremendous opportunities ahead for the graduates of the Shamokin Area High School. It is in this light that I express my belief that each alumnus of our grand old school can share in our work here in the Shamokin Area. You should know that it is possible to endow the band or orchestra to guarantee its future, to endow an expanding department in computer science, to endow the football team or any other sport, to endow a strong department in English, language, history, science, math, or any other department of study. It is my wish that each person who has come from our school system and who have made their fortune in the world, would remember their roots and return some of their good fortune to the community and school that gave them their being.

May God's special blessing rest upon you all.

Respectfully,

Alfred J. Bashore

The 112th annual reunion of the Shamokin Area High School Alumni Association was held in the high school cafeteria and the commons area on Saturday, May 27, 1995.

The banquet began with the invocation by Rev. Alfred Bashore (retired) pastor of the Trinity Lutheran Church and member of the Board of Education followed by the Pledge of Allegiance and the singing of "God Bless America" by all in attendance with Irvin Liachowitz accompanying on the piano.

After a delicious meal catered by the Country House Restaurant, the alumnus moved to the auditorium for the business meeting. Mary Ann Pitorak of the Program committee was assisted by seniors,

handing out the prizes to the persons holding winning tickets. Tickets were at each place setting at the banquet portion of the affair.

The following members were nominated to the Educational Fund Committee; H. Richard Hilbush, Mrs.

Frederick Lark and Elizabeth Ryan. It was noted that for the scholarship testing, 39 students signed up and 38 actually took the test.

Joan Donmoyer of the nominating committee, presented the names of the following officers to be elected: president, John Schankweiler; vice president, Pamela Grow Keiser; secretary, Joan Fauland Eltringham; treasurer, William Korbich; registrar, Jeffrey Clutcher; historian, Helen Jane Murphy. On motion of Dorothy Goodman and seconded by James Booth, the officers were approved by members present at the meeting.

Gene Boughner, high school principal, gave a review of the class of 1995 giving special mention to Mary Jo Faust for winning the gold medal in the state olympics. He also spoke on the plans for next years elimination of the middle school.

The program was closed with the singing of the Alma Mater and the benediction was given by Rev. Alfred Bashore. The members returned to the cafeteria and commons area for the afterglow. Dancing went on until midnight under the music of the Victor Boris "Sound Expressions" and the buffet was catered by the Country House Restaurant.

Afterglow '95

A good time was had by all! A record 197 alumni signed up for the Afterglow last year, to enjoy the music of Vic Boris and The Sound Expressions and the beautiful to see and eat buffet provided by Bob Malick and his Country House Restaurant. Thanks go to Irvin Liachowitz and his lovely wife Lillian for all their help with Afterglow dancing fun and games. Jane Yeager Whitley '36 was the big winner for the evening: Jane and her husband Bill were judged best overall dance team, and Jane was the last person sitting when the music stopped for musical chairs! Loads of FUN! The old smoothies, Dan '29 and Lillian Keating were the winners for the Waltz contest, and a mother and daughter team, Gertrude Wilson '30 and Judy Feltman '51 took the honors for the Jitterbug.

Our judges for the evening were Bonnie Klinger, Kathryn Haertter Albright '68 and Arthur Chiavaroli '40.

With Our Alumni

Mr. Salvidor F. Olcese, Class of 1915, Shamokin's oldest living Alumnus celebrated his 100th Birthday in January 1996. Mr. Olcese's son Tom served as the President of our association for our 111th Reunion.

Carol Troxell '78, Manager of Steve's Ice Cream at Fanueil Hall in Boston, planned, made, decorated and delivered a special Birthday Cake to the White House for President Clinton's birthday.

Eddie Korbich '79, star of Broadway and TV, appeared on Broadway in the Tony Award winning production of Carousel. Eddie had the role of Mr. Snow. He has also appeared on television on the Larry King Show and is currently dancing in the production of Show Boat in Chicago.

Pam Grow Keiser '79 our current Vice-president has been named to a 2 year term as Director of Outreach and Advocacy for American College Personnel Association.

Dorothy Zebrowski Goodman '44 has been named Pennsylvania State President of the American Association of University Women.

Curtis C. Miller, Ph.D. '53 has been

named one of four 1995 winners of the prestigious Upjohn Achievement in Science and Medicine Award.

Two Shamokin Area graduates have had the outstanding honor of being named Rhodes Scholars—Dale Newbury and Randy Berholtz.

Two members of the class of 1940—Daniel C. Gillespie and H. Richard Hilbush—were signally honored by their Alma Mater and chosen to deliver the Commencement Addresses. Dan in 1976 and Dick in 1984.

The Stadnicki twins—Carl and Conrad—performed a first for their Alma Mater. They were dual speakers at the 1981 Commencement.

Clarence (Kerstetter) Reed was presented the Key to the City of Shamokin by Mayor Strausser in recognition of his outstanding business achievement in the Philadelphia area.

Quite a few of our recent graduates have been chosen as recipients of scholarships to the United States Academies. David Shaffer and Chris Hodrick are recent graduates of the United States Naval Academy and David's brother Brian is attending the

Academy at the present time.

John Barr '36, Penn State's first "basketball All American," served as the Penn State basketball's honorary captain for the final game played in Penn State's Rec Hall.

Dr. Roland Moskowitz '46 has been recognized in the Cleveland press for his outstanding contribution to the field of medicine. Dr. Moskowitz was the first to define a gene mutation as the cause of osteoarthritis.

Robert Stahl '38 has published a book this year titled You're No Good To Me Dead. This true account tells of Bob's being a spy behind enemy lines in the Phillipine jungles during W.W.II.

This is a new venture for the Shamokin Area High School Alumni newsletter. We have only listed a few of the alumni that come to mind that are deserving of being recognized for their accomplishments. We feel it would be a good idea to include short biographies of those graduates that you feel are worthy to be recognized in future newsletters. Let's keep in touch with our fellow Alumni.

Matching Funds

At a recent class reunion the question was raised about the possibility of Business and Industries matching funds contributed to the Scholarship Fund by our Alumni. We can now report that as of this writing several companies are matching contributions made by our Alumni to the Scholarship Fund.

Before we could engage in this activity, we had to have the approval of the I.R.S. We are happy to report that the I.R.S. has given its approval and we are now eligible to follow through with this activity.

If any of our graduates are employed by a company that matches funds and are interested in making a matching funds contribution, please investigate and send the necessary paperwork to our Treasurer so that the proper forms can be completed.

The Scholarship Fund could be the financial beneficiary. With the escalating cost of advanced education it is imperative that the Scholarship Committee investigate additional ways of raising funds.

1995 G.E.D. Graduates

We have one new person to add to our list of 172 Shamokin Area Graduates who went through the G.E.D. program. G.E.D. means "General Education Development." This is a marvelous achievement for any individual who had to leave school for some reason known only to themselves.

Class of 1983, please note this addition and include Denise Ann Topolski Bebenek in your class list and activities.

Banquet Committee

We hear the expression “\$1.99 are you out of your mind?” Many returning Alumni ask us the same question. How do you do so much for \$15.50—the price of the ticket? For this price you get a sumptuous meal, entertainment, dancing to a live combo, a smorgasbord buffet during the Afterglow—and the annual \$2.00 dues is also included!

Bob Malick, a 1954 Shamokin graduate, and his Country House Restaurant and Catering Service will again cater our banquet and Afterglow.

Our dinner will be family style, and we are certain you will have plenty to eat and will be served in record time. The menu will consist of the following:

- Fruit Cup
- Roast Beef • Turkey
- Filling • Mashed Potatoes
- Cole Slaw • Cranberry Nut Salad
- Broccoli Normandy
- Rolls and Butter
- Coffee • Tea • Iced Tea • Fruit Punch
- Ice Cream Sundaes

Please plan to join us at this year’s reunion so you can see for yourself

“That we DO do it!
