Dear Parent/Guardian:

Under the federal Every Student Succeeds Act, states are required to designate schools for support and improvement based on both school wide (Comprehensive Support and Improvement) and student group (Additional Targeted Support and Improvement) performance on a range of academic and student success measures.

Shamokin Area Intermediate School is one of roughly 200 schools statewide designated for Additional Targeted Support and Improvement. This designation is based on data suggesting the need to prioritize additional supports for our Student with Disabilities Group in the following areas: academic proficiency on state assessments, academic growth, and attendance. This designation will provide opportunities for our school to partner with stakeholders to identify our school community's most pressing needs, select strategies to support those needs, and work together to implement the selected strategies.

You can inform the improvement process at Shamokin Area Intermediate School in the following ways:

- By becoming an active participant in our school planning.
- By supporting the school attendance/truancy policies.
- PTA involvement.
- Getting engaged in our after school programs, such as tutoring.
- Supporting the academics in the home at all times.

If you would like more information, please feel free to contact Mr. Anthony Carnuccio at 570-648-5721 or Mrs. Sherry Glosek at 570-648-5752.

Sincerely,

Anthony Carnuccio
