

RROE Rural Response to the Opioid Epidemic

RROE monitors, tracks, and evaluates the following interventions and partners in order to decrease the opioid use, recidivisms, and arrests; while supporting positive initiatives, education, prevention, recovery, and support services. RROE is grant-funded for Northumberland County activities in 2020-2021.

INTERVENTIONS:

- **Case Management** – *Central Susquehanna Opportunities (CSO) & Safe Care Manager*
- **Free2BeMom** – *Northumberland Drug and Alcohol, United Way, & Geisinger*
- **Law Enforcement Treatment Initiative (LETI)** – *Police Departments, Certified Recovery Specialist (CRS), Northumberland County Probation*
- **Peer services and social support** – *Oasis Community Recovery Club*
- **Recovery Housing** – *CSO*
- **Drug Take Back & RROE Marketing** – *Northumberland D&A & United Way*
- **Strengthening Family Program (SFP)** – *SFP trainers & United Way*

PARTNERS:

DRIVING SUCCESS:

- Establishing and enhancing public health, behavioral health, and public safety collaborations
- Community-level opioid overdose prevention activities
- Expanding peer recovery and recovery support services
- Strengthening epidemiologic surveillance and public health data infrastructure with data analysis and intervention evaluation
